Mr. Michael Lutze  
Senior Director  
THE LEADING HOTELS OF THE WORLD, LTD.  
Berliner Strasse 44  
D-60311 Frankfurt am Main, Germany

Dear Mr. Lutze,

We are writing to you on behalf of Travelwell Switzerland, an incoming agency based in Dubendorf/Gfenn. Our relationship with the company began in the 1970's when it was founded by Tex Sessoms. The Nordmanns bought the company in 1997, and our relationship with Travelwell has continued unbroken to the present day.

Both Marc and Barbara have extensive backgrounds in the travel industry, and they bring their years of experience to Travelwell's incoming operation for Switzerland and all of Europe. We know that when we give them a request for private car services they will supply the best drivers, and we are confident that our clients will have a successful trip.

For your information, Pierbusseti World Travel Organization, a wholesale tour operator providing custom made ground services around the world for retail travel agents, has been in business for over 50 years. For 20 years we were a Marketing Partner with Virtuoso. We ourselves have an excellent reputation for arranging high quality itineraries using the best overseas suppliers.

We have no hesitation in recommending that Leading Hotels of the World cooperates with Travelwell for their Alpine Car Rallye program. Please contact me if you need any further information.

Sincerely yours,

PIERBUSSETI, INC.
